

**Award of Professional Engineering Services for
Survey of 2017 Water Main Improvements**

June 14, 2016

The Honorable Mayor Ellison and
Members of the City Commission:

Engineering has solicited proposals from the three consultants currently under contract with the city for professional engineering services to provide topographical survey of several streets where water main improvements have been identified for construction in 2017. The streets requiring surveys include Rochester Road, Ferris Avenue, N. Vermont Avenue, Nakota Road, Rosewold Avenue, Lexington Boulevard, Glendale Avenue, N. Alexander Avenue, N. Blair Avenue and Dallas Avenue. Proposals from the engineering firms were submitted and evaluated as shown in Table I.

Engineering recommends that Anderson, Eckstein and Westrick, Inc. of Shelby Township, Michigan be selected to provide professional engineering services for the proposed surveying work at the estimated proposal price of \$55,073.75. The funding source for this work will be water and sewer funds.

If the city commission is in agreement, the following resolution is recommended for approval:

Be it resolved, the commission hereby awards the professional engineering services for surveying as outlined in the request for proposals dated May 16, 2016 to Anderson, Eckstein and Westrick, Inc. of Shelby Charter Township, Michigan, currently under contract with the city, and directs staff to issue a purchase order in the amount of \$55,073.75.

Respectfully submitted,
Matthew J. Callahan, P.E.
City Engineer

Approved,

Donald E. Johnson
City Manager

Table I
Proposal Evaluation And Award Recommendation
Professional Engineering for
Survey Services for 2017 Water Main Improvements

Consultant	Cost / Lineal Ft	Bid Amount*	Recommended Consultant
